Nate Williams gave a report on the Finance Committee meeting along with a financial report.
The Finance Committee met at 6:00 p.m. before the board meeting. Nate Williams had been asked to revisit areas of the FY 16/17 budget on both the revenue and expense side to see a more balanced budget.

Nate Williams presented several budget cuts to the Finance Committee including the following: no truck purchased, reduction in recreation supplies purchased, moving the Milwaukee Street expense and Curtis Avenue equipment to FY 15/16 instead of FY 16/17 for a cut of approximately $131,000. Adding back in approximately $10,000 for finishing the Curtis Avenue Park, purchase new basketball goals that hang on the rims, and to put the final touches on Piburn Ball Field. That brings the budget cuts to approximately $121,000.

Nate Williams presented several items to generate revenue: gazebo rental policy – change to hourly rate and to a tiered system, i.e. Century Park gazebos would cost more than the gazebos at Sunnyside; sponsorship signs on outfield fence at Piburn; sponsorship signs on the dog park fence; raise all youth fees by $5.00 per child; re-evaluate the school agreement.

At the end of the year instead of $94,000 being left there would be $225,000 left with a swing of $131,000. This difference is just with cuts and no estimated revenue increase.

After questions were asked and answered about the financial report, Christy Marker made the motion to accept the financial report dated October 31, 2016 and prepared November 7, 2016. Sherri Branson-Hurt seconded the motion, motion passed, 9 – 0.
