All contractors shall be qualified and licensed to work within the city limits of Excelsior Springs. Performance of work shall follow minimum standards of the 2018 IBC, IRC, IMC, IPC, IFC, IEBC, IPMC, ISPPSC, and 2017 NEC. This building shall not be occupied without final inspection approval and a Certificate of Occupancy issued from the Community Development Department.
By submitting this application, I certify and attest that I am authorized to make this application. I agree to comply with all applicable state, county, and city laws and regulations. I further acknowledge that the City may revoke any permit or approval issued in the case of any false statements or misrepresentation of fact in the application or plans on which the permit or approval was based. Every permit issued shall become invalid unless the work authorized by such permit is commenced within 180 days after issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. The building official is authorized to grant, in writing, one of more extensions of the time, for periods not more than 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.
