

Excelsior Springs

Flooding will be less frequent, less extensive, less damaging, and less dangerous.

Comments

What types of **AMENITIES** would you like to see in the Greenway?

What **EXCITES** or **WORRIES** you about the recommended preliminary alternatives?
How could we reduce your concerns?

What **OTHER** comments, questions, or concerns would you like to share??

(Fold)

Thanks for giving us your feedback!

Your responses will assist with the Excelsior Springs Watershed Study.
