

**2026 STREET MAINTENANCE – CHIP SEAL
FOR
EXCELSIOR SPRINGS, MISSOURI**

Sealed BIDS will be received at the Public Works Building, 103 East Water Street, Excelsior Springs, Missouri 64024, until **March 24, 2026 at 10:00 a.m.** At that time and location, bids will be publicly opened and read aloud for:

2026 Street Maintenance – Chip Seal

All equipment, material, and workmanship must be in accordance with the Plans, Specifications, and other Contract Documents in the Project Manual on file with the City Clerk and in the office of the Consulting Engineers LAMP RYNEARSON, 9001 State Line Road, Suite 200, Kansas City, Missouri 64114.

Bidding Documents may be seen or purchased for a Non-Refundable fee online at www.drexeltech.com in their eDistribution plan room. Additional assistance is available at distribution@drexeltech.com. Information regarding this project can be found in the “Public Jobs” link on the website. Contractors desiring the Contract Documents for use in preparing bids may also obtain a set of such documents from Drexel Technologies, 10840 West 86th Street, Lenexa, KS 66214, telephone number (913) 371-4430. Bidding documents will be shipped only if the requesting party assumes responsibility for all related charges. Corporate, certified, or cashier’s checks shall be made payable to Drexel Technologies, Inc. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder’s date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda, if any, obtained from sources other than the Issuing Office.

Minimum wage rates for the project shall be the prevailing wage rates set forth in Exhibit F to the Agreement included in the bidding documents, which rates are to be considered a part of this Invitation to Bid.

The project contractor and each subcontractor shall require each on-site employee to complete the ten-hour safety program required under Section 292.675, RSMo, within 30 days of beginning any of the work on the project, if he or she has not previously completed the program or does not have documentation of having done so.
